

HAND TOOLS

Pipe Die Set - 1/2" To 2" (9Pcs)

This tool features six popular interchangeable cutting dies in sizes: 1/2", 3/4", 1", 1-1/4", 1-1/2", and 2". It's an ideal choice for the construction, pipeline, and equipment installation industries, ensuring high project quality, enhanced work efficiency, and reduced labor intensity. The head is crafted from malleable cast iron, offering durability and wear resistance for long-term use.
