

MEASURING TOOLS

Digital Cross Line Meter

DCL40C

TECHNICAL DATA

PRT No	DCL40C
Laser measurement	40/50/60m
Power supply mode	7 batteries x 2 cells
Ruler size	5m x 19mm x 120mm
Laser type	Laser wavelength 650nm,1mw
Accuracy	± 2mm
Unit	Feet/inches/meters
Laser measurement range	Distance/area/volume/single/continuous measurement and Pythagorean theorem measurement.
Measure range	5 Meters
Measurement time	0.3-4s
Display lighting	LCD
Packing list	Laser tape measure, one instruction manual, two No. 7 batteries, one back clip
